

Global Kachchh Federation

PANJO KACHCHH · BHUJ-KACHCHH, GUJARAT, INDIA

One voice for Kachchhis, wherever they live.

Global Kachchh Federation (GKF) was formed to strengthen the emotional bond between India and people of Indian origin from the Kachchh district of Gujarat. Kachchhis live across the Gulf, Africa, the Indian Ocean, Europe, the Americas and Australia — and they want their motherland to prosper.

GKF mobilises them, carries their problems to the right authorities, creates awareness of Indian government policies meant for them, advocates for their constitutional rights, and facilitates those who wish to invest in India. **The federation is not involved in any business.**
